- ★ To me **SPRY** is not giving in or giving up. To not feel helpless in the face of aging.
- ★ To embrace our natural curiosity and getting out there doing and learning new things.
- ★ To be unafraid to try to make friends or to be alone, but not lonely.
- ★ To embracing the things that made us US, way back when we started, no matter what that may be.
- ★ To dance our asses off to a live band, to sing at the top of our lungs while hearing our favorite songs in the car, to be creative, to be bold, to travel together or by ourselves, to push ourselves to do things that make us uncomfortable,
- ★ to not give up being who we are at the core of our spirit and intrinsic nature.
